**16/0824**      8 Monument Lane      Rear extension

**16/0840**      Garden of 1 Wentworth Drive, Blackwell      Amendments to existing Planning Permission 15/1052 (the amendment was enclosing the area between the house and garage)

**No Objection**

**16/0847**      7 St Catherine's Road Blackwell      Side, rear and front extensions, construction of gable projections and dormers to existing roof and associated landscape works

**16/0672**      **13 Cherry Hill Road**      Reconstruction of existing roof structure for accommodation and remodelling of kitchen diner at ground floor level

These are significant changes, a very modern extension to a traditional house we would not object provided the Conservation Officer felt that the changes were acceptable given the properties location in the BGCA

### **Other matters**

No application has been received relating to Linthurst Newtown site but a temporary TPO is in place and the decision to make this permanent should be considered at a forthcoming Planning Committee
