

Blackwell Festival is a small charity.

The festival is a not for profit event, all money raised will go towards paying to put on the event and if successful, used to pay towards next years Blackwell Festival (Party in the Park), so your support is vital - please buy your tickets early!

The Festival will be held in the grounds of Hunters Hill School - not the school building.

Although the school will be closed, Hunters Hill have kindly allowed us to hold the festival in the natural amphitheatre of the school grounds.

There will be a large canopy covering to protect the bands and the audience

Should the weather be against us, the stage and viewing area will be covered by a large canopy, so by all means bring your seats but there's no need to bring gazebos.

Tickets are available at the village shop or club

This will be a great fun event for the whole family, with a all types of music to suit all tastes. There will be a BBQ for food, a licensed bar, and a bouncy castle for the kids. Come along and have a great day out in Blackwell. **But tickets are limited so please buy your tickets early.**
