

Planning Committee Minutes – for December 2017 PCM

Meeting held 15th November at Parish Office

Present Cllrs S Nock, J Harvey and EO. Cllr J Eales and Cllr J King provided comments.

2 planning applications were discussed:

- | | | |
|-----------------|-------------------------|--|
| 17/01112 | 272 Old Birmingham Road | Two storey extension to rear and single storey extension to side
We had no objection to this application
but we note that as garage is being lost adequate parking should be ensured. |
| 17/01105 | 367 Old Birmingham Road | Extensions and alterations to existing property to include:
First floor side and rear extension and a reduction in the ground floor rear extension
We have no objection to this application provided there is no 'terracing' effect due to the close proximity of neighbour's house.
This application has now been approved by BDC. |

Next Meeting

No date was agreed
