

Minutes for planning committee meeting 11am 28/2/18

We had 4 applications to discuss:

18/00012/FUL Land West Of 46, Greenhill, Blackwell, Worcestershire, Modification of existing agricultural vehicular access. We object to this application as it seems excessive damage will be caused to the hedge, 36m of old hedge will be removed. We feel that visibility to the entrance could be improved with better management of the hedge. Our VDS values old hedges as part of our village character.

18/00039/FUL 353 Old Birmingham Road. Dropped Kerb and driveway. No objection

18/00035/LBC 19 Twatling Road, listed building. Boiler replacement and relocation. External door and lintel replacement. No objection

18/00207/FUL 8 woodshill Avenue, Lickey. Side and rear extension. No objection

Strategic planning meeting at Parkside 27th February – we heard a report from JH and LW regarding proposals for a 10,000 dwelling settlement in the local area.
