

COMPUTERS FOR BEGINNERS

Would you like to master some essential computing skills such as word processing letters and documents, searching for things on the internet, sending and receiving email and saving and printing files? Then this is the course for YOU!

You'll be offered patient and ongoing support by our well qualified tutors and discover how the world of technology can open up so many opportunities to make your life and work easier.

Bromsgrove Library - 01/05/2019 10:00-12:00 10 weeks
