REDDITCH ONLINE		
Redditch Borough Council's new website is the number one resource for you to find support in Redditch so that you or someone you care about are interested in learning online skills or if you are confident with your basic online skills and would like to grow your knowledge further.	Being able to use the internet is a valuable skill that can open up many opportunities. If you or someone you care about are interested in learning online skills or if you are confident with your basic online skills and would like to grow your knowledge further. Why go online?

'Staying in touch has never been easier – or cheaper, for that matter.'

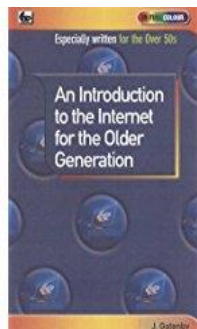

'The internet is everything and anything I need it to be – a shop, library, travel agent, recipe book, restaurant reviewer ... even a game.'

'It's strange now to think of a world without the internet. I'm so glad I got involved. It's changed the way I do everything'

'I thought I was too late to join the world of computers, but even though I was starting at the very beginning, I got to grips with it much more quickly than I expected.'
