

Local Community Support

*groups offering help at
this difficult time*

Coronavirus is likely to cause many problems for people in our villages, but your local community is here to help. Lickey and Blackwell Parish Council, and the Churches in Lickey and Blackwell are working with community volunteers to support people who need help in the coming months.

We want to hear from anyone who might need help – from a bit of shopping to a friendly chat. We also need people who are able to provide that support to get in touch. This does not have to be a regular commitment.

These are the ways you can get in touch with the organisations coordinating this community effort:

The Lickey & Blackwell C19 Support Group
(coordinated by the Parish Council Executive Officer)
email: lickeyandblackwellc19@gmail.com
For those without internet access: 07930 837 770

Rev. Sheri Gidney, Holy Trinity Church and St Catherine's Church
email: sherigidney@gmail.com or 445 1185

We are GDPR compliant and will store your information securely and only use it only within the support group.

Blackwell Stores – offers delivery of shopping to those self-isolating
call: 445 1316

The Old Rose and Crown, Lickey – offers home delivery of meals
call: 453 3502 or see: www.oldroseandcrown.com

Promising confidential support when required

Hello visitor,

Someone in this household is
'at risk' of COVID-19. So we're
social distancing / self-isolating.

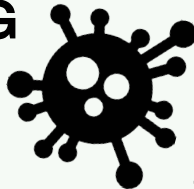

Please don't knock unless
you are an expected visitor.

For deliveries please knock and
leave the parcel in the porch /
on the doorstep /

Thank-you & stay safe!
