

## **LICKEY AND BLACKWELL PC PUBLIC NOTICE: RE-OPENING OF PLAY AREA**

On 25th March 2020 the Parish Council had to close the Play Area as a result of the restrictions imposed by the Coronavirus Legislation becoming enforceable by law.

We plan to re-open the Play Area on 4<sup>th</sup> July according to Government Guidance, with a requirement that all users follow the Coronavirus social distancing and public safety measures as summarised below:

- You use the play area at your own risk. The equipment is regularly inspected for safety purposes.
- Do not consume food and drink in the Play Area
- Wash your and your children's hands before and after visiting. Ensure your children are using hand sanitiser frequently. Use disinfectant wipes on the equipment if you have any safety concerns. Encourage children not to put their mouths on the equipment.
- Take your litter home / use the bin provided
- Follow the current social distance guidelines when visiting and encourage your children to do the same. Stay 1-2m apart.
- If the playground is busy, consider coming back at a later time. Talk to your children about this possibility before visiting. We suggest only one family member should attend with a child.
- Follow and adhere to all current government advice in addition to the above guidance.

Thank you all for your patience and support during this difficult period
